Beeswax is the purified wax from the honeycomb of the bee, *Apis mellifera*. This ingredient is listed in the PETA's Caring Consumer guide as a substance of animal origin.

EWG Skin Deep® | What is BEESWAX

Beeswax was founded by industry veterans who recognized that traditional, one-size-fits-all DSPs, originally designed for an agency model, are under-serving today's sophisticated media buyers. From the beginning, it has been our mission to build great advertising software -- so much so that we created an emoji version of our mission statement:
