This early work by Guy de Maupassant was originally published in the 1880's. Guy de Maupassant was born in 1850 at the Château de Miromesnil, near Dieppe, France. He came from a prosperous family, but when Maupassant was eleven, his mother risked social disgrace by trying to secure a legal separation from her husband. After the split, Maupassant lived with his mother till he was thirteen, and inherited her love of classical literature. In 1880, Maupassant published his first - and, according to many, his best - short story, entitled 'Boule de Suif' ('Ball of Fat'). It was an instant success. He went on to be extremely prolific during the 1880s, working methodically to produce up to four volumes of short fiction every year. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

"We fancied each other and that's that. Now it's over." Georges Duroy (the protagonist of

Ambitious journalist Georges Duroy alters his ways when he learn that seduction and blackmail will help his social ascent in 1890s Paris.

Mit souveräner Ironie schildert Maupassant den Werdegang des charmanten Emporkömmlings George Duroy, der als Don Juan des bürgerlichen Zeitalters in die Weltliteratur einging. Der berühmte Klassiker wird hier in der neuesten Übersetzung vorgelegt. Die Neuverfilmung des grossen Klassikers mit "Twilight"--Star Robert Pattinson kommt 2011 in die deutschen Kinos.

Pour un jeune ambitieux dont la moustache frise avec la grâce de celle de Bel- Ami, le plus sûr moyen de parvenir, si l'on ne se laisse pas étouffer par les scrupules, c'est de jouer les jolis coeurs. Ou comment le roman réaliste se met au service d'une critique décapante du milieu des journalistes.

Nouveaux programmes des classes de Seconde : Pour l'enseignement d'exploration « Littérature et société » : l'objet d'étude « Médias, information et communication : enjeux et perspectives » invite les élèves à réfléchir sur le rôle des médias dans la société. Pour tout le monde : « Le roman et la nouvelle au XIXe siècle : réalisme et naturalisme ».

"Bel Ami, or the History of a Scoundrel" by Guy de Maupassant. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Maupassant's second novel, Bel-Ami (1885) is the story of a ruthlessly ambitious young man (Georges Duroy, christened Bel-Ami by his female admirers) making it to the top in fin-de-sihcle Paris. It is a

novel about money, sex, and power, set against the background of the politics of the French colonization of North Africa. It explores the dynamics of an urban society uncomfortably close to our own and is a devastating satire of the sleaziness of contemporary journalism. Bel-Ami enjoys the status of an authentic record of the apotheosis of bourgeois capitalism under the Third Republic. But the creative tension between its analysis of modern behavior and its identifiably late nineteenth-century fabric is one of the reasons why Bel-Ami remains one of the finest French novels of its time, as well as being recognized as Maupassant's greatest achievement as a novelist. This new translation is complemented by fullest introduction and notes of any edition currently available.

Bel Ami was the second published novel by French writer Guy de Maupassant. The novel's hero, journalist Georges Duroy, rises from his humble beginnings to become one of the most powerful men in Paris. He works his way to the top by carefully choosing and manipulating powerful and wealthy mistresses.
