Grade 2 Addition | First grade math worksheets, Kumon math ...

I homeschool my kids and kumon is great in all areas, esp. math. It is the repetition that helps. I give a page of Kumon math a day. My 5 year old is doing the 2 grade book and it is because of the repetition. If you have the time to get them started in the earlier books of Kumon, then they will fly through math. My 6 yer old is in the Kumon multiplication book. Thanks to the earlier ways of ...

I purchased all three books on 2nd grade math (Addition, Subtraction and Word Problems) for my daughter when she was at her summer break before entering 2nd grade. We practiced almost every day and by the time she started her classes at school she knew how to add and subtract 3-digit numbers with confidence. These work books are excellent alternative to expensive Kumon classes. It's mid ...
