Tame Me is the first Blue Box Special in the 1,001 Dark Nights Series as well as the first story in author J. Kenner's Stark International series, a spin-off of her Stark Trilogy. Talk about kicking off a series with a sexy and steamy bang. This novella was incredible! Jamie Archer has decided it was time for a new plan.

Tame Me: Book 1 Blood Brothers MC Oh wow.. First book by this Author & I loved it. I do think at times Jazz was little wishy washy in her actions.. But I do like them as a couple. But OMG what a cliff hanger at the end. But I think she will end up pregnant from the meds she took. I bet that's how they get back together. Great story.
